

Categories (B1 – B2)

Put the following words into as many categories as your can, so that on category includes at least 4 members.

Give a definition what the words in one group have in common.

Example: plate – salt – onion – tasty All words are connecting with preparing/eating meals: a meal is served on a plate, you put salt and onion into a meal, the meal can be tasty...

You can use one word more times. All words must be used at least once.

tiger umbrella sugar snake fly
helicopter plaster bake scorio
darkness dough blood hat
bus ticket oven jump lie (in bed)
vampire timetable blender sleep
paramedic run stretcher
book bite smile cry
birthday flour hurt serve
